

## How to get your FREE book

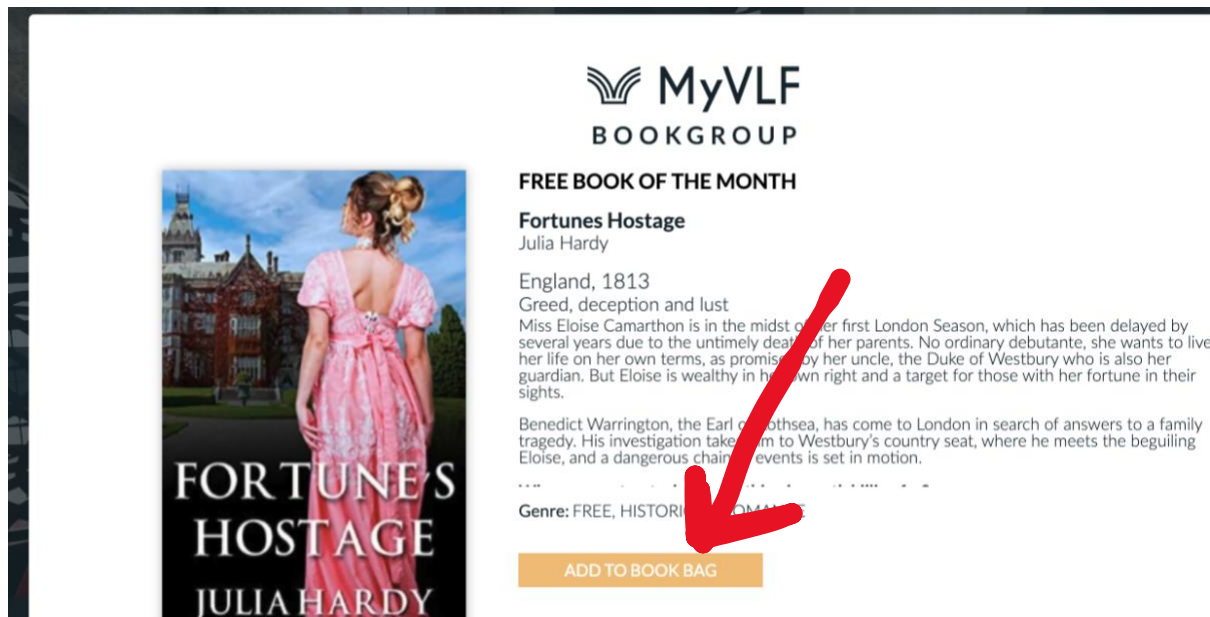

To get your free book, log into the site and navigate to the Cafe area. You can do this either by clicking on the site image where the cafe is situated, or you can use the traditional menu at the top. On mobile you can click on the 'Press for Menu' button, or go to the top right menu.

Then click on the book which is to the right of the cafe area. It should come up immediately on mobile.

Then click to add your book.

**FREE BOOK OF THE MONTH**

**Fortunes Hostage**  
Julia Hardy

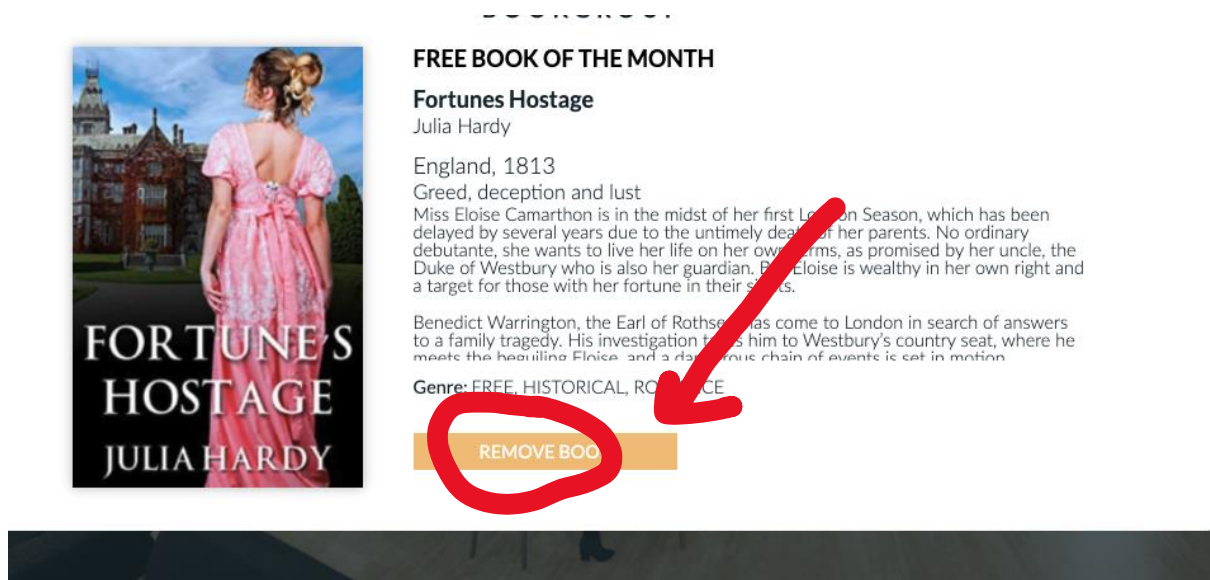

England, 1813  
Greed, deception and lust  
Miss Eloise Camarthon is in the midst of her first London Season, which has been delayed by several years due to the untimely death of her parents. No ordinary debutante, she wants to live her life on her own terms, as promised by her uncle, the Duke of Westbury who is also her guardian. But Eloise is wealthy in her own right and a target for those with her fortune in their sights.

Benedict Warrington, the Earl of Rothsea, has come to London in search of answers to a family tragedy. His investigation takes him to Westbury's country seat, where he meets the beguiling Eloise, and a dangerous chain of events is set in motion.

Genre: FREE, HISTORICAL ROMANCE

ADD TO BOOK BAG

You will then see the button turn to 'Remove Book' to show you have added it to your book bag.

REMOVE BOOK

You can access your book bag in the top right of the site where your profile is. You'll see the greyed out person profile. Or there is also a sign to the right of the stairs in the entrance hall.

On mobile, use the top right menu and scroll down to see My Profile and Book Bag.

Once you're there, click download and choose your method of delivery, ie kindle or something else.

The next step takes you to BookFunnel which helps you choose your type of download required.

We hope this guide helps. Enjoy
